

DR.TWL Lab Protocol.[®]

Vitá C GOLD[™] Serum

1 DERMOCOSMETIC BENEFITS

- Brightens dull skin
- Anti-aging support
- Targets acne gently for sensitive/redness-prone skin

2 KEY INGREDIENTS

- 4.5% Sodium Ascorbyl Phosphate (stable Vitamin C)
- Green Tea, Sage, Belamcanda, Broccoli extracts
- Sodium Hyaluronate, Oligopeptides, Methionine

3 HOW IT WORKS

- Antioxidant defense; barrier support
- Non-acidic antibacterial (non-antibiotic)
- Calms sensitive/problem-prone skin

4 USAGE

- AM after cleansing
- 3 drops: forehead, cheeks, chin
- Pair with Qraser[™] patch for lines/scars

*Yours With Precision,
Dr.TWL*

Microbiome-friendly. Dermatologist-developed and clinically tested over 7 years. No sting. Built for humid Southeast Asian climates
